A man left for work one Friday afternoon. It was payday, so instead of going home, he stayed out the entire weekend partying with the boys and spending his entire paycheck.

When he finally appeared at home on Sunday night, he was confronted by his angry wife and was barraged for nearly two hours with a tirade befitting his actions.

Finally, his wife stopped the nagging and asked him, *How would you like it if you didn’t see me for two or three days?*

He replied, *That would be fine with me.*

Monday went by and he didn’t see his wife.

Tuesday went by and he didn’t see his wife.

Wednesday went by and he didn’t see his wife.

On Thursday, the swelling went down just enough that he could see her a little out of the corner of his left eye.
